

Protein

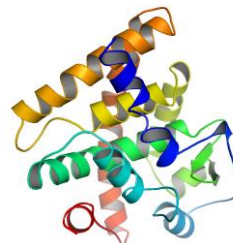

RARA

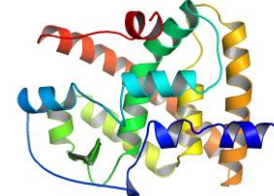

RXRA

RXRG

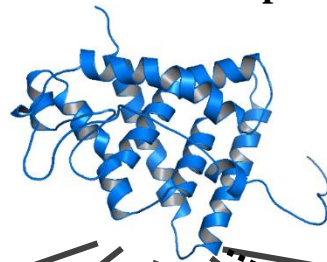

ESR1

Domain

**Ligand-binding domain of
nuclear hormone receptor**

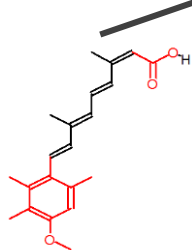

**Oestrogen receptor
domain**

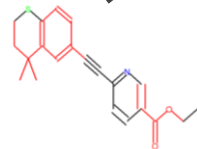

**Unknown
structure**

- Predicted interactions that were not confirmed
- Predicted interactions that were validated
-  Predicted substructures targeting the domains

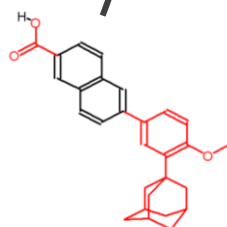

Drug

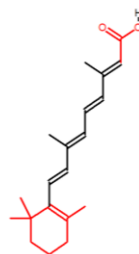

Acitretin

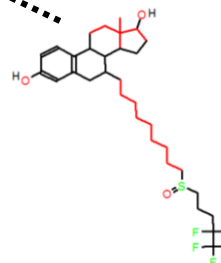

Tazarotene

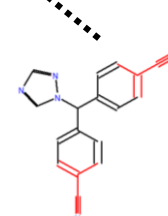

Adapalene

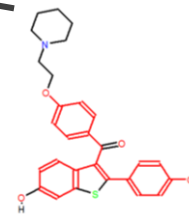

Tretinoin

Fulvestrant

Letrozole

Raloxifene

Dermatological agents

Antineoplastic agents

**Selective estrogen
receptor modulators**
